ABOUT THE AUTHOR

Wiseguy Karl Beckstrand is a nine-time published author with seventeen titles online (reviews by Horn Book blog, *School Library Journal*, Midwest Book Review and *ForeWord Reviews*). Raised in San Jose, California, USA, he received a B.A. in journalism from BYU and an M.A. in international relations from APU. Since 2004 he has run a publishing company, producing captivating stories, ads and scripts. An engaging presenter and consultant, Beckstrand has experience in high tech, public policy, radio, TV and film. He has lived abroad, been a Spanish/English interpreter, and he enjoys volleyball and kayaking (usually not at the same time). Beckstrand's activity books, Spanish & bilingual books (with pronunciation guide), ebook mysteries, and nonfiction stories feature minority characters and usually end with a twist. His work has appeared in: Barnes & Noble, Border's Books, Deseret Book, Costco, Kindle/Nook/Kobo/iBooks, The Children's Miracle Network, *The Congressional Record* of the U.S. House of Representatives, *Papercrafts Magazine*, LDS Film Festival, and various broadcasts (also via Ingram, B&T, Brodart, Amazon, Follett/BWI). Find: "Karl Beckstrand – Author" on FB, Amazon, Twitter, and **Karl-Beckstrand.com**.

Karl Beckstrand captures with simplicity the essence of non-offensive, politically correct communication.

“Safe for the whole family.” – Socrates

“A rare book with nothing offensive, inappropriate, or politically incorrect.” – Aristotle

“With so much that is disturbing, distasteful, and degrading in society, it’s a joy to pick up something that is sure not to offend.” – Kris Kringle

This book is in no way intended to encourage silence.

Rather, it rejects (in a humorous way) the muting or muffling of important ideas and messages by societal constraints—especially by unconstitutional limits to free speech. The best solutions are often born serendipitously in the cross-fertilization of ideas achieved in respectful dialogue. Like plants, ideas must have light to emerge and bear fruit.
